

# Hook Norton Low Carbon Limited

## HOME IMPROVEMENT SCHEME/ WHOLE HOUSE RETROFIT PRE-APPLICATION FORM 2010

Hook Norton Low Carbon Limited (HNLC) has been set up to help the community reduce energy use and carbon emissions. For householders, this is being done by;

- providing advice to householders on home improvement measures
- using buying power to provide lower cost materials, installations and service supplies
- making money available to householders in the form of interest free loans

If you are interested in any of the above, your first step is to fill in this form and return to HNLC.

We will use this information to help us decide in principle whether we can offer you a Home Improvement loan or other advice and support. We hope to get back to you in the next month.

If you would like further information to assist your completion of the form, please refer to the guidance notes on our website, or contact us at [homeimprovements@hn-lc.org.uk](mailto:homeimprovements@hn-lc.org.uk) with your queries or to request a home visit.

### A BIT ABOUT YOU

If you are already a member of HNLC, you only need to provide your name and share certificate number in this section

If you are not, you will need to be a member to benefit from the services we provide. So please join, it's only £1.

Name \_\_\_\_\_ Share Number \_\_\_\_\_

Address \_\_\_\_\_

Postcode \_\_\_\_\_

Telephone \_\_\_\_\_ Mobile (optional) \_\_\_\_\_

Email (optional) \_\_\_\_\_

Preferred contact method    Email     Post     Text     I'd like to become a member

### A BIT ABOUT YOUR PROPERTY

This will help us with any advice we provide and to assess your application

Property type:                      Detached     Semi-detached     Bungalow

   Mid Terrace     End Terrace     Flat     Top Floor Flat

Approximate building age (if known)    0-20 years     21-50 years     Over 51 years

Is your building -                      in a Conservation Area     Listed     Neither

Existing primary heating fuel source:    Oil     LPG     Coal

   Electric     Wood chip     Heat pump

   Other \_\_\_\_\_

Existing primary hot water source:    Boiler     Immersion     Solar panels

Are you currently on a green energy electricity tariff                      Yes     No

Are you already or planning to have work carried out                      Yes     No

If you are, now is the time to act. Please provide basic details \_\_\_\_\_

\_\_\_\_\_

Please tick to confirm you are the home owner                      Yes     No

If you are not the homeowner, we may be able to help you. Please contact us to discuss your circumstances.

Air source heat pumps	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Wood fuelled boiler (Biomass)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

### Other/ Notes

If you have another proposal (e.g. water saving measures) or project (e.g. DIY, larger project) you would like us to consider, please provide details. This is your company, so let us know what you would like.

---

---

## HOW WOULD YOU LIKE US TO HELP?

Please tick as many as apply

I would like advice and help on energy saving home improvements I could make to my home

I would like to apply for a HNLC Home Improvement Scheme loan

I would like to benefit from lower installation prices available through HNLC

If you would like a loan, how much would you like to borrow?

Up to £5,000 (typically 3 year payback)

Up to £10,000 (typically 5 year payback)

Over £10,000 (typically 10 year payback)

If you would like a repayment period different to those noted above, please let us know.

## AND FINALLY

Once complete, please return by

email to [homeimprovements@hn-lc.org.uk](mailto:homeimprovements@hn-lc.org.uk)

post to Secretary, Hook Norton Low Carbon Limited, 26 The Bourne, Hook Norton. OX15 5PD
